EDUCATION

August 2004 – May 2006	Plano Senior High School	Ranked top 4%
August 2006 – May 2008 August 2010 – May 2011	The University of Texas at Austin <i>Business Honors Program</i> Major: Business Honors Admitted to Computer Science Honors	Overall GPA: 3.88

BACKGROUND

Alexander Schliker, also called Alex Schliker, is a front-end software developer, Co-CEO and CEO of a number of incredible companies above the auspices of the Golden Ticket. Alexander Schliker started his career as a lead programmer and founder of an online proxy startup that he sold in High School. In college (2008), he founded Venture Weekend. He later founded Snipd/Highlighty.org, which was funded by Y Combinator and featured on TechCrunch, Cnet and Popular Science magazine. In January 2009, he started CureCRM, a CRM system powered by email. It was the leading email based CRM app for Salesforce on the market in quality. He also started Follow-up Robot and DripEmails.org, incredible drip email marketing apps. He is also founder of AnonyProxies, an app used to allow users to surf the web anonymously. Alexander Schliker is a leader at the Pentagon where he creates solutions regularly to ensure that people at the Pentagon live forever and have amazing lives. He is an AI expert and includes AI results in his Spherella.com search engine.
